About Repair Pricer

Repair Pricer is the industry standard for converting inspection reports into accurate repair estimates during the complex home purchasing process, enabling all parties to act quickly and confidently during a critical period. Repair Pricer saves time and reduces stress for everyone when it matters most. To learn more about Repair Pricer, visit www.repairpricer.com

It is important you understand that the service provided by RepairPricer.com is purely for estimation and negotiation purposes. We do not guarantee that the prices we estimate for repairs on your report are the same that you will end up paying for that specific repair. Our pricing is based on the average cost for a similar repair in your area, and due to unknown factors or underlying issues that we are not privvy to, actual repair cost may be substantially higher.
